Conference proceedings will be published by  Springer

Selected papers from CPIE 2019 shall also be published in Lasers in Manufacturing materials Processing (Scopus Indexed)

### Previous Special Issues & Books

- International Journal of Machining and Machinability of Materials, 2012 Vol. 12 No. 1/2
- Journal of Manufacturing Technology Management, 2012, Vol. 23, Issue 7
- Journal of Manufacturing Technology and Management 2015 Vol. 25 No. 1/2/3
- Int. J. Additive and Subtractive Materials Manufacturing, 2017, Vol. 1, Nos. 3/4
- Journal of Manufacturing Technology and Management 2019.
- Book titled "Operations Management and System Engineering" published by Springer 2019.
- Book titled "Manufacturing Engineering Present & Future Perspective" published by Springer, 2019.

## About CPIE

The first CPIE was organised in the year 2007, where around 200 delegates from national & international organisations participated. Second CPIE was organised in 2010 where 250 delegates participated, third CPIE saw the number of delegates increase upto 300 while fourth CPIE had 300 plus participants. Fifth CPIE was organized in Bangkok. CPIE has become a regular feature and has emerged as a common platform for fruitful interaction amongst the delegates from academia, industry and research organisations. This year also we are expecting a large number of national & international delegates.

## Sponsorships

Government Departments, R&D Organizations, Academic Institutions, Industries, Publishers etc., are requested to sponsor or co-sponsor the conference. The details of sponsorship fee are as follows:
