(An Institute of National Importance)

ACADEMIC SECTION

NOTICE

This is in reference to the reporting of the candidates selected under the Ph.D. (Full-Time) programme for the Academic Year 2020-21 (Session July-2020) of the Institute.

This is for information of all that due to the current COVID-19 pandemic situation and as per the Government guidelines, it is not possible for opening of the Institute for the students.

The Institute had earlier planned for the joining of the Ph.D. candidates admitted under the Full-Time programme (with Institute Fellowship) apprehending the possibility of opening the Institute for students in near future but as of now the situation seems to be very remote. The Ph.D. programme involves the interaction of the Supervisor with the Research Scholar and carrying out Research related work in the Institute under the supervision of the Supervisor, which is not possible in the current pandemic situation.

The provisionally selected candidates are amidst a grim situation where they are not able to join some other Institute as their admissions in our Institute has not been confirmed yet. As of now, there is no possibility of joining of the Full-Time Ph.D. selected candidates in the upcoming semester (January-June, 2021).

Keeping in view the interest of the selected candidates and their future aspects, the selected candidates are hereby informed that they can join some other Institute/courses as per their choice and suitability.

This is issued with the approval of the competent authority.
