ABOUT THE WORKSHOP

The workshop aims to make the participants aware about the Innovation, IPRs, their filing procedure and facilities being extended by Govt. of India for promotion of IPRs, and Start-ups. The Workshop is indeed a podium to foster pioneering minds amid participants and identification of protectable innovations. Intellectual Property Rights (IPR) are set of rights associated with intangible creations of the human intellect. It covers laws related to copyrights, patents, trademarks, and publicity rights. The foremost purpose of intellectual property is to encourage the creation of a large variety of intellectual goods. The workshop would focus on national innovation and start up policies (National Innovation and Startup Policy (NISIP) for HEIs). It will also take into consideration International Acceleration Program for Early Stage Startups.

ABOUT THE INSTITUTION'S INNOVATION COUNCIL

Ministry of Education, Govt. of India has established an 'Innovation cell' with a purpose of systematically fostering the culture of Innovation in all HEIs across the country. MIC will focus on creating complete ecosystem which will foster the culture of Innovation across all educational institutions from ideas generation to pre-incubation, incubation and graduating from the incubator as successful start-ups. MIC will also work on designing ranking system to identify institutions in the forefront of innovation.

ABOUT THE INNOVATION CLUB

In pursue of National initiative for Design Innovation by Ministry of Human Resources and Development, the Innovation Club of NIT Jalandhar is an initiative taken in order to promote and give nourishment to new ideas as well as recycling the existing ones in order to make our daily life easy. The vision of the club is to seek a thriving and sustainable regional economy driven by innovative local entrepreneurs and a competitive start-up ecosystem. The club aims to provide relevant, timely and targeted support for early stage technology-oriented companies in the creation of quality and high-paying jobs.

OBJECTIVES OF THE WORKSHOP

- To acquaint the participants with basics of intellectual property rights and start-ups.
- To make the participants aware about the Innovation, IPRs, their filing procedure and facilities being extended by Govt. of India for promotion of IPRs, and Start-ups
- To compare and contrast the different forms of intellectual property protection in terms of their key differences and similarities.
- To encourage young buddies for innovation for 'Make in India' programme.
- To aware the participants with the various funding platform and facilities under Institution's Innovation Council.
