

**STC on
“Recent Advances of Machine Learning in Software Engineering”
November 23 to November 27, 2020.**

Department of Computer Science & Engineering, Dr. B.R. Ambedkar National Institute of Technology, Jalandhar has conducted a TEQIP-III sponsored Five-day Online Short-Term Course on “Recent Advances of Machine Learning in Software Engineering” from November 23 to November 27, 2020.

The STC was graced with the auspicious presence of Chief Guest Prof (Dr) LK Awasthi, Director, NIT Jalandhar. The main focus of the course was to explore the two cutting edge technologies namely machine learning and software engineering and learn the latest technological advancements in these technologies. The course witnessed the registration of more than 150 participants and researchers across the country. The resource persons for the course were renowned researchers from IIT’s, NIT’s and other reputed education and research organizations.

Prof (Dr) LK Awasthi, Director, Dr B R Ambedkar National Institute of Technology, Jalandhar congratulated STC Convener Prof A.L.Sangal(HoD CSE) and coordinators Dr Nonita Sharma and Dr. Jagdeep Kaur to organize such an informative course successfully and extended support to all the participants to achieve their future endeavours.
