Jalandhar (Punjab)**

About the NIT Jalandhar

Dr B R Ambedkar National Institute of Technology was established in the year 1987 as Regional Engineering College and was given the status of National Institute of Technology (Deemed University) by the Government of India on October 17, 2002 under the aegis of Ministry of Human Resource Development, New Delhi. The Ministry of Human Resource Development, Government of India has declared the Institute as "*Institute of National Importance*" under the act of Parliament-2007. The institute offers B. Tech. programmes in eleven Engineering disciplines. In addition to B. Tech. programmes, the Institute offers M.Tech and Ph.D. programmes in all these disciplines. The institute is striving to achieve excellence in research and academia at its fullest. We are pleased to inform that the institute ranked 52 position amongst top 200 Indian institutes, and 12th among the 31 NITs in NIRF ranking 2020.

About the Innovation Club

In pursue of National initiative for Design Innovation by Ministry of Human Resources and Development, the Innovation Club of NIT Jalandhar is an initiative taken in order to promote and give nourishment to new ideas as well as recycling the existing ones in order to make our daily life easy. The vision of the club is to seek a thriving and sustainable regional economy driven by innovative local entrepreneurs and a competitive start-up ecosystem. The club aims to provide relevant, timely and targeted support for early stage technology-oriented companies in the creation of quality and high-paying jobs.

To achieve this objective, Innovation Club recurrently organises various national events such Innovesta, Rockesta, Technovesta, National Symposiums, National Conferences and National Workshops with a focus on innovation and design.

Eligibility/Modes of Participation

- ✓ Any UG, PG or PhD Student can participate.
- ✓ Participant can apply either individually or in a team of 2-5 members.
- ✓ Cross college teams are not allowed.
- ✓ The projects will be judged by a panel of professionals on the basis of the presentation, logic, ideas, content, and uniqueness.
- ✓ The decisions of the judges and organizers will be final and binding on all participants

Rounds 1: Submission of Projects: Team Leader have to upload their ideas, model video, presentation or project on our Google Form. The portal for project submission will be open for limited days & will be closed on 01 March, 2021. The best projects will be selected for final judgement on the basis of their innovation, ideas, uniqueness & presentation.

Round 2: Presentation Round: The best projects will be selected for final judgement on the basis of their innovation, ideas, uniqueness & presentation. Result will be declared on day 2 of Technovation-2021. Top projects will get the chance to present their innovations in front of everyone on online platform.
