DEPARTMENT OF MECHANICAL ENGINEERING

Testing Fee for Sample Analysis

Sr. No.	Name of Test	Subsidized charges for Internal Academic Users	Charges for External Academic / Industry Users
1.	Tensile Test (constant strain rate)	250 /- per sample	500 /- per sample
2.	Compression Test	150 /- per sample	300 /- per sample
3.	3 - Point Bend Test	150 /- per sample	300 /- per sample
4.	Impact test (Charpy / Izod)	50 /- per sample	100 /- per sample
5.	Micro Vickers Hardness Test (for 3 indents)	250 /- per sample	500 /- per sample
6.	Acid Value of the fuel	100 /- per sample	200 /- per sample
7.	Density Meter	250 /- per sample	500 /- per sample
8.	Kinematic Viscometer	100 /- per sample	200 /- per sample
9.	Computerized Single Cylinder Four Stroke Diesel Engine Test Rig	500 /- per hour	1000 /- per hour
10.	Computerized Multi-Cylinder Turbocharged Four Stroke Diesel Engine with Closed ECU	1000 /- per hour	2000 /- per hour
11.	Multi-Cylinder 4 stroke CRDi Engine with Open ECU	1500 /- per hour	3000 /- per hour
12.	Five Gas Analyzer	400 /- per hour	800 /- per hour

Note:

- The internal or external academic / industry users need to submit the requisition form in advance to obtain prior approval from the lab in-charge.
- The charges as applicable for the particular test facility can be deposited on the day approved for availing the said facility.
