Circular

Siemens India Scholarship for 1st Year Engineering Students

Siemens Scholarship Program aims to encourage and promote engineering education amongst meritorious students from less privileged families, who share the vision and values to become future engineers. Siemens understands that a large number of deserving students who have an urge to become engineers are unable to do so owing to financial constraints. In view of this, Siemens offers a limited number of scholarships to deserving candidates to pursue their education and launch a sustainable career in engineering, R&D or manufacturing.

The following students are eligible for Scholarship:

- 1st year students of Government Engineering Colleges from India pursuing Engineering in Mechanical / Production / Electrical / Electronics / Instrumentation / Electronics & Telecommunication / Computers/ Information Technology.
- Age: Up to 20 years
- Annual Family Income: Not more than 2 lakhs
- SSC: Minimum 60% aggregate
- HSC or equivalent result: Minimum 50% aggregate and Minimum 60% PCM aggregate.

Detailed information about the scholarship is available at website www.siemens.co.in/scholarship
