The Heads of all Centrally Funded Educational Institutes
(As per list attached)

Subject : Facilitating admission of deserving and eligible candidates facing financial constraint.

Sir/Madam,

The Twelfth Five Year Plan Document's para 21.232 states that "the reach of scholarships and student loans with government guarantees would be universalized so that no student is deprived of higher education opportunities for financial reasons. This will be complemented by schemes tailored to the specific needs of different groups. Attention to measures like improving the quality of teaching-learning in Indian languages should also be initiated in order to address the language-based dimension of inequality".

2. Many schemes, like Scholarships, Interest Subsidy on Educational Loan, etc. are being implemented by this Department to facilitate the poor students. However, it has been noticed that despite all these efforts many SC/ST students belonging to poor families are constrained to miss admission only on account of their inability to pay requisite fees amount at the stage of admission. Notwithstanding technical difficulties in the process, our endeavor has to be to ensure that no rightful candidate misses the opportunity only on account of ready non-availability of adequate funds.

3. The matter has been considered and in order to tackle the problem, it has been decided that all Centrally Funded Higher Educational Institutions may adopt the following course of action for admission of different categories of students based on intelligible criteria:

- (i) No fees need be charged at the time of admission from those SC/ST students who are eligible for Post-matric Scholarships/Top Class Scholarships. At the time of admission they may be advised to deposit the fee with the Institute as soon as they receive the scholarship amount. An undertaking to this effect may be taken from them at the time of admission. However, the CFHEIs will be responsible for timely verification, etc. of documents and their submission to facilitate timely disbursement of scholarship.
- (ii) In other cases, if any SC/ST students failed to deposit the fee in the Institute then fees may be charged after making special efforts to get them requisite loan sanctioned, including facility of interest subsidy to those whose income is below Rs.4.5 lakhs where applicable.
- (iii) Special schemes under SCSP/TSP may also be drawn, in consultation with the target group in respective CFHEIs, for providing other facilities like books, equipment etc. essentially required for completion of course, which are not covered under these Scholarship Schemes, for SC/ST students.

3. This issues with the approval of Hon'ble Minister for Human Resource Development.
