Registration with other reputed Government organization	MSME Registration No.: UAM No. UP01D0053165
Description of Start-up	NITovators, the first registered start-up of NIT Jalandhar, is an online educational platform which provides affordable and quality education to the students preparing for JEE and NEET. Our USP lies in the fact that our organization offers a platform to the students where they can ask unlimited doubts at a nominal fee and also earn in the process of clarifying the doubts of fellow students. Recently, NITovators was selected in the top 15 amongst 408 other start-ups ideas in the PNAF startup conclave in VNIT Nagpur. The organization has been invited to Nagpur to pitch their idea in front of investors.
Coordination with TBI NIT Jalandhar	Working as a pre-incubitee
Acknowledgement	NITovators would like to thank the Institute for supporting the organization financially for our trip to Nagpur. Everyone in the Institute including our honorable Director Professor L.K. Awasthi , Dr. Arun Khosla, Dr. Lakhwinder Pal Singh, Dr. Subhash Chander and every one in our Institute have been very patient and supportive to our start-up.
Remarks	Institute urges more students to come up with more innovative ideas and start-ups and the Institute promises to help and support the idea in every possible way. NIT Jalandhar is such an institute which helps start-ups and entrepreneurs nurture and grow to its fullest by providing them all the help they need, be it financial, technical or any other support.
