Ref. No: NITJ/PUR/TT/115/18/   **Date:**

NOTICE INVITING QUOTATION

Sealed quotations are invited on behalf of Director, NIT, Jalandhar for the Supply of Sigma Plot 14 Software required for Computer Lab of Textile Technology Department of the Institute.

Please send your offers super scribing

  (i) **"Quotation for Sigma Plot 14 Software - 01 No.**
  (ii) **Reference of this letter/ NIQ No.**
  (iii) **Opening date of quotation on the cover of the envelope.**

Last date of receipt of quotations	**27.09.2018 at 3:00 PM**
Opening of quotations	**2709.2018 at 3:30 PM**

Quotations should reach at following address before the last date of receipt and time.

Kind Attention: Purchase Section,
Director
Dr. B.R. Ambedkar National Institute of Technology, Jalandhar
GT Road, By Pass, Jalandhar-144001
The quotations will be opened by the committee duly constituted   for the purpose on due date and time in the presence of the quotees, whom   so ever may wish to be present.

1.   All the quotations/enquiries should be addressed to the Director, Dr B R Ambedkar National Institute of Technology, Jalandhar.

2.   In case of non –compliance of instructions and all the terms & conditions, the offer will not be considered.

3.   The institute being an Educational Institution, a special rebate/discount may be allowed.

4.   Quotations without GST number will be invalid.

(Download Detailed Terms & Conditions, Specification of above equipment as per Annexure-I &II from institute's website www.nitj.ac.in.

IMPORTANT NOTE

The offers must be submitted in a sealed envelope duly super scribing the Quotation for Supply of Sigma Plot 14 Software required for Computer Lab of Textile Technology Department of the Institute with due date and time on the cover of envelope.

1. The Quotations received after last date, will not be considered.

2. All corrigenda, addenda, amendments and clarifications to Notice Inviting Quotation will be uploaded on the website www.nitj.ac.in. Quotee shall keep themselves updated with all such developments.

3. In case the last date of receipt/ opening of Quotation falls on holiday, the bids shall be opened on the next working day at same time.

4. The Quotation should be neatly typed. Any deviation in the offer shall lead to rejection.

5. Quotation(s) received after last date of offer submission will be rejected. No offer will be entertained by Email/FAX.

6. Supplier must mention Full address with Telephone No., Fax No., GST No. & E mail on their envelop also.

<u>**Annexure-I**</u>

FOLLOWING TERMS AND CONDITIONS MUST BE CAREFULLY STUDIED BEFORE SUBMITING QUOTATIONS

1. Name, complete address of the bidder/Quotee with Telephone No., Fax No. , GST No. & Email must be mentioned on the envelope.

    _____

    _____

2. Location of Head office with complete address, with telephone No. Fax No. and Email must be mentioned on the envelope.

    _____

    _____

    _____

3. The quotation must be quoted duly typed on the letter heads of the supplier / manufacturer duly mentioned full address ,GST No./ PAN No./ and must be in a sealed cover which should be super scribed Quotation for _____ Quotation No. NITJ/Pur/   dt:_____ **”.**

4. Telefax /E-mail and other incomplete offer will not be considered.

Read and Accepted

                                     Signature of the Quotee
                                     With Stamp

5. All quotations will be deemed to be FOR NIT, Jalandhar unless otherwise specified and should include packing and forwarding charges.

6. All quotations will be valid for at least 90 days excluding the date of opening

7. **Illustrated literature and catalogue must be furnished along with quotation**.

8. **The supplier must mention whether he is manufacturer, dealer or supplier. In case of supplier or dealer the authorization from the manufacturer is required and copy of the same must be enclosed with the bid/quotation**.

9. Rate should be quoted in the Indian rupees only. Delivery period must also be mentioned.

10. **Quotation received after the due date will not be considered unless the date is extended.**

11. The successful supplier has to submit an amount of @2% of the total value of the offer in shape of bank guarantee/EMD upto the period of warranty period of the equipment before releasing of 10% payment **(for equipment which costs more than Rs. 1,00,000/- individually).**

12. In case the last date of receipt of quotation falls on holiday, the quotation shall be opened on the next working day.

13. **The make/model and country of origin must be specified.**

14. It may be stated clearly whether the quoted items are available in stock. If not the minimum period of supply of goods be indicated.

15. **Percentage of taxes must be clearly stated.**

16. Inspection of goods will be carried out by the consignee or the Inspection Committee at the destination and rejected goods will have to be taken back within 10 days from the date of dispatch from the indenting officer, failing which the quotee shall be responsible for the loss.

Read and Accepted   **Signature of the Quotee**
                                          With Stamp

17.   The rejected goods must be replaced within 15 days of the dispatch, failing which indenting officer will be entitled to make arrangements as its disposal without any further reference.

18.   If there is any dispute/doubt, the decision of the Director, Dr. B. R. Ambedkar National Institute of Technology, Jalandhar shall be final.

19.   All disputes are subject to Jalandhar Jurisdiction.

20.   Certificate to the effect that the Price quoted by supplier is the lowest and is not more than the Price charged from other Educational Institutions/ R & D departments in India must be enclosed.

21.   Copies of supply order of at least of three users where you have already supplied above said Equipment/items/software may be supplied (if available).

22.   Details of training and the cost if any be intimated.

23.   The supplier who quote the equipment, must provide terms & conditions, upgrade policy and installation policy etc along with the quotation.

24.   **90% payment will be released against delivery and inspection of the material and balance 10% payment shall be released within 20 days after having installation report of the equipment/material.**

25.   The quantity of material may vary as per requirement.

26.   **Penalty: The Director, Jalandhar reserves the right to impose 0.5% (Half) per cent penalty per week on account of delay in supply, if delivery received after expiry of the original delivery period. The total penalty should not exceed 10% of the value of the delayed goods.**

Sigma Plot 14 Software Specification

SigmaPlot makes it easier for you to present your findings accurately using precise, publication-quality graphs, data analysis and presentation tools. SigmaPlot offers numerous scientific options such as automatic error bars, regression lines, confidence intervals, axis breaks, technical axis scales, non-linear curve fitting and a data workshee for powerful data handling.

The latest SigmaPlot is a state-of-the-art technical graphing program designed for the Windows platform. It is certified for Windows 98, Windows NT, Windows 2000, Microsoft Office 98, 2000, and Windows XP. SigmaPlot is specifically designed to aid in documenting and publishing research, specializing in the graphical presentation of results.

Creating and editing graphs is easy. Just click a Graph toolbar button, pick your data with the Graph Wizard, and you can create a graph in seconds. You can also use templates to apply favorite graphs again and again.

SigmaPlot also includes a powerful nonlinear curve fitter, a huge scientific data worksheet that accommodates large data sets, summary statistics, a mathematical transform language and much more.

w Graph Features

1. „ Arrows with solid arrowheads
2. „ Added a right mouse menu command for pasting copied graph primitives (arrow, box, etc.) on the page
3. „ A common operation on a graph is to zoom in, make a modification and then zoom out. A toggle was added, Ctrl+3, between your current zoom level and 100%.
4. „ Data sampling dropdown now shows the maximum number of rows in the column
5. „ Mini-toolbars for left mouse selection may be turned off.
6. „ An Anti-aliasing button has been added to the Graph Page Tab, Format Group.
7. „ Improved user interface for the Color Schemes dialog.
8. „ The "Each Curve" option is automatically turned on when performing a linear regression on one plot
9. „ Additional Plot Regression Statistics.
10. „ Improved access to result graphs following statistical analysis - obtained by right clicking either a statistical report.
11. or another result graph.
12. „ The scatter matrix graph, used to display results of some statistical tests such as correlation, has increased
13. support from 10 variables previously up to 40 variables now.
14. „ Graph Properties can now be obtained by right clicking a graph or plot.
15. „ Renamed the Linear Regression command in the Graph Analysis group of the Analysis tab to Plot Regression.
16. „ Text and special symbols options are now shown directly on the symbols dialog.
17. „ The Graph Additions Group Name has been changed to Manage Plots.
18. „ Multiple Result Graph Types May Now Be Simultaneously Selected from the Create Result Graph Dialog.
19. „ The default appearance of all Result Graphs has been improved.
20. „ Added TIFF gray scale export option for graphs and graph pages.

New Worksheet Features

- „ Sorting data in the worksheet now supports multiple key columns.
- „ Coefficient of Variation and 90% Confidence Interval added to Column Statistics.
- „ Formatted text can now be used in statistical analyses.
- „ A Graph Templates button has been added to the Format group of the Graph Page ribbon tab.
- „ Custom Column Statistics Items and Order May Now be Specified.
- „ Statistical procedures may now use data from over 4000 worksheet columns.

New Analysis Features

- „ The One-Way Frequency Tables method has been added.
- „ The unpaired (aka 2-independent samples) t-test has been enhanced to provide options to test the equality of the populations means of the two groups without assuming equal variances (Welch's t-test).
- „ Ctrl-A now selects all program lines in user defined transforms.
- „ More nonlinear regression application examples have been added that can now be accessed from the Help menu.
- „ Improvements to the transforms examples that can now be accessed from the Help menu.
- „ Improvements to some ape (automatic parameter estimate) functions in the Transform Language.
- „ The number of groups for computing dummy variables has been extended from 100 to 1000.
- „ Increased the maximum character length of labels in statistical tables from 30 to 255.
- „ Error Message and Partial Save Nonlinear Regression Improvements.
- „ The User-Defined Transform and Regression Dialogs are Now Resizable and can be Saved.
- „ Improved User Interface for the Quick Transforms dialog.
